

Entrepreneurship (MGT 602) Fall 2013

GDB No.01

Due Date: 10-11-2013

There could be number of causes due which our institutions have failed to produce the entrepreneurial traits in students. These could be:

- 1. Lack of inculcation of leadership qualities.**
- 2. Instructors use to emphasis on jobs instead of business ventures.**
- 3. Instructors are doing the job of just teaching the text. They are not performing the role model duties.**
- 4. Motivation is not part of the curriculum.**
- 5. Risk taking is not encouraged in the business teaching which is the hallmark quality of an entrepreneur.**
- 6. Syllabus of our institutions are not latest and following the old traditional ways of business.**
- 7. Innovations are not used in teaching aids.**
- 8. Latest trends are not taught.**
- 9. Students are not put in practical during academic activities.**
- 10. Very less emphasis is given on training / teaching of exploring the ways to explore new ventures.**
